

Lower North Island Vietnam Veterans Health and Wellbeing Expo

 Saturday, 19 October 2019, 9:00 AM to 3:00 PM

 Lower Hutt Event Centre, 30 Laings Road, Lower Hutt 5010

This event is for Vietnam veterans and their whānau.

It is an opportunity to catch up with fellow veterans and to get the latest information about support available from Veterans' Affairs and other organisations.

This expo is happening following on from the success of other expos for Vietnam veterans held in Christchurch and Auckland. We are again partnering with Ranfurly Veterans' Trust for this event.

What you can expect

At the expo, veterans will be able to access:

- health assessments
- case management appointments
- other support for daily living.

Who can come

All Vietnam veterans, their whānau, and support people are welcome to attend the expo. If you know a Vietnam veteran who should attend, please encourage them to contact a veteran connector.
