

Online event offers presentations and Q&A — Kōrero with Veterans 2021

We're excited to announce our very first 'Kōrero with veterans' 2021 — a new way to connect with you.

We're inviting you to meet with us, and other veteran support organisations online via Zoom. You will hear about the service and support that is available and can participate in Q&A sessions.

You will also have the chance to book a one-on-one session with one of our case managers via Zoom.
