

We've created another simplified claim form New Veteran Support form

We've been looking at our application forms to see if we can make them easier to understand and easier to complete. We found that in some cases, claimants were asked for the same information more than once.

We asked veterans and representatives of the RSA for their input. Their valuable insight has been included in the design of our new Veteran Support application form.

Two forms in one

To make it even easier for veterans to claim, we have also combined two forms together into just one form. We've combined:

- Veterans Support Scheme Two form and
- Weekly Compensation form.

Who should use the form

Veterans can use this form if they need to:

- make an initial claim for financial support
- seek a reassessment of an existing entitlement
- make a claim for Weekly Compensation (<https://www.veteransaffairs.mil.nz/a-z/weekly-compensation/>).

The new form is available to use right now. Downloading the form from our website is the best way to make sure it's always up-to-date.
