

What do you want from our online events

We want to know if there is a person or organisation you want to hear more from in future online events. Or any topics you want to know more about.

We are planning another online event. Our events allow you to hear from and ask questions of key people from within the veteran support sector.

Our recent online forums have included representatives from:

- Veterans' Affairs New Zealand
- Ministry of Social Development
- RNZRSA
- Force Financial Hub.

Is there a person or organisation you want to hear more from in future online events? We can consider speakers from other sectors like health professionals.
