# Research about New Zealand's Viet Nam veterans

The War Pensions Medical Research Trust Fund, now the Veterans' Medical Research Trust Fund, has funded research into New Zealand's Viet Nam veterans.

Funded research includes:

- Health conditions in cohort of NZ Vietnam veterans: hospital admissions between 1988 & 2009  
• (<http://bmjopen.bmj.com/content/5/12/e008409.full>) 
- Mortality & cancer experience of NZ Vietnam War veterans: cohort study
